25 March 1983

MEMORANDUM FOR: National Intelligence Officer for Latin America  
FROM: Director of Central Intelligence  
SUBJECT: Draft of SNIE 91-83: Argentina: A Troubled Transition

1. I've approved the Argentine draft for distribution to the Senior Review Panel and reps.

2. The first sentence in the last paragraph of the Key Judgments is too cryptic, leaving too vague just how right wing forces could damage U.S. interests. Draw on some of the detail from page 27.

A handwritten signature, likely of William J. Casey, consisting of a stylized 'C' followed by a horizontal line.

William J. Casey
